Subject: Denial of Transfer of Notice of Intention (Form MR-TRS), Anasazi Gold Reserves, Inc.,  
Highland Mist Mine, S/021/0035, Iron County, Utah

Dear Mr. Terry:

The Application for Transfer of Notice of Intention for the Highland Mist mine from Anasazi Gold Reserves, Inc. to AGR Minerals, LLC, received by the Division on November 16, 2010, is hereby **denied**. The Division is taking this action for the following reasons:

1. On October 19, 2010, you submitted a Notice of Intent to Commence Large Mining Operations. This Notice includes the five-acre small mining area as part of the current disturbed area. The transfer as submitted is only for the small mining operation. The Division cannot have overlapping permit areas.
2. The transferee has not provided a replacement surety or a reclamation contract.

If you would like to discuss this matter further or appeal this decision please contact me at (801) 538-5261 or Lynn Kunzler at (801) 538-5310.

Sincerely,

  
Paul Baker  
Minerals Program Manager
